## **Educational Qualifications:**

Ph.D	Vellore Institute of Technology	India	2022
ME	Anna University Trichy	India	2009
BE	Anna University Chennai	India	2007

## **Areas of Research:**

Microwave Engineering, Antennas Microwave Filters

## **Brief Profile: (write about yourself)**

Proactive Assistant Professor and researcher with 9 years of experience successfully contributing to the development and delivery of Electronic and Communication Engineering curriculum. Driven to contribute to program outcomes by facilitating engagement and assisting with learning objectives while maintaining high ethical standards and commitment. Committed faculty member seeking Assistant professor position with your prestigious institution with a passion for ensuring academic integrity of institution and achieving tenure through administrative service.
